

# EPSILON PRESENTATION

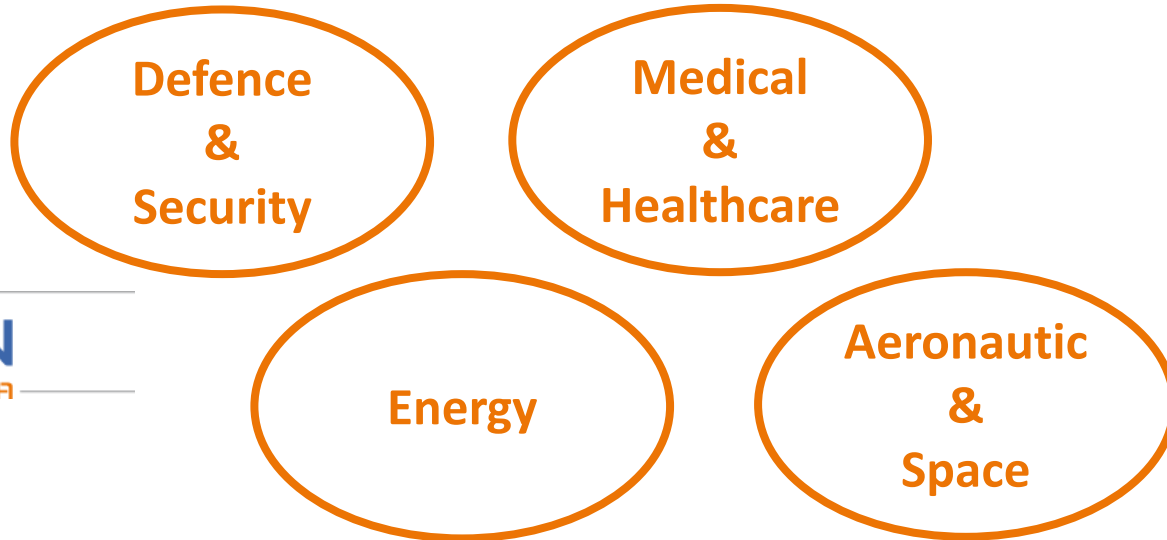

Physics and Digital Engineering

# EPSILON - Company of ALCEN Group

---

22 subsidiaries operating in 4 fields :

---

**ALCEN**  
A

---

ALCEN's ambition → Ongoing policy of innovation

Partnership and close collaboration with laboratories

2500 People – Revenue of 250 M€

---

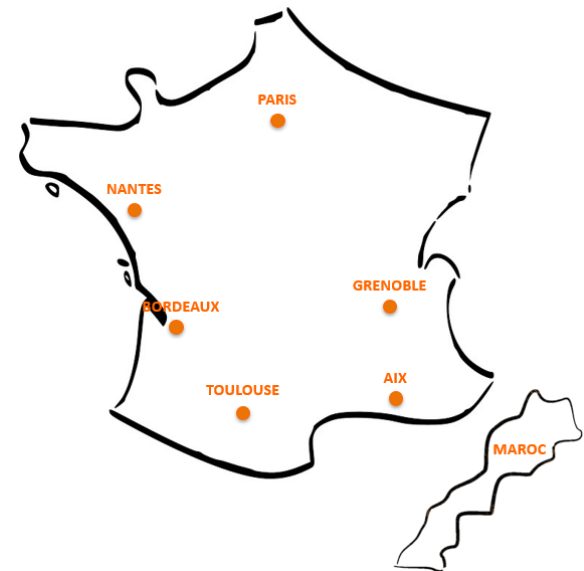

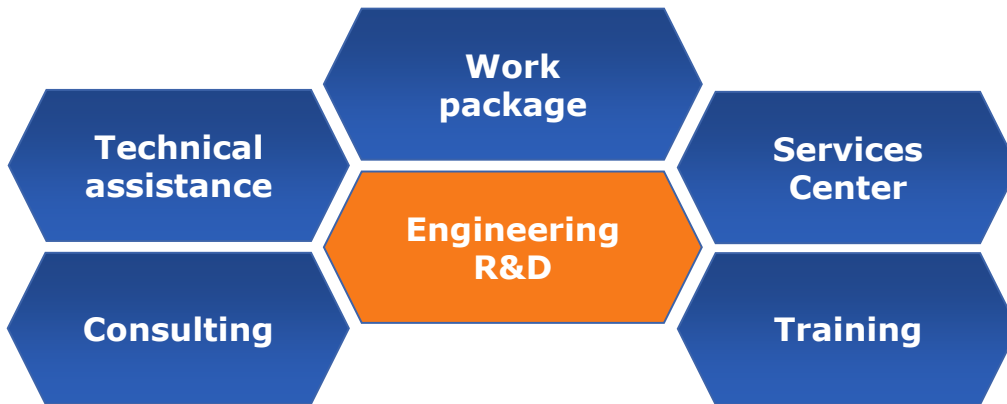

**EPSILON**  
ALCEN

---

# EPSILON

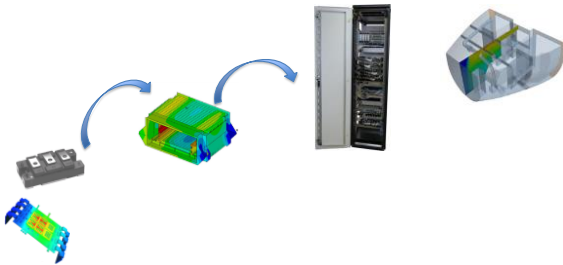

- ✓ Over 20 years of experience
- ✓ Close collaboration with multinational groups and laboratories
- ✓ Certification ISO 9001 (version 2015)
- ✓ Tax-Free Agreement (CIR) approval and SRC “Label”
- ✓ Over 180 engineers spread in several sites

# EPSILON Activities

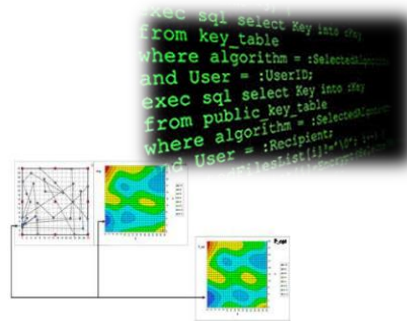

## PHYSICS

- ✓ Modelling – Simulation
  - Multi-physics
  - Thermal
  - Mechanical
  - Fluidic

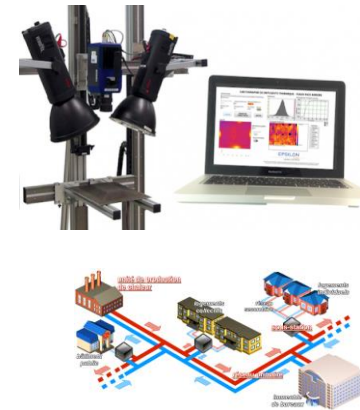

## DIGITAL

- ✓ technical data processing
  - Data generation
  - Data analysis
  - Data management

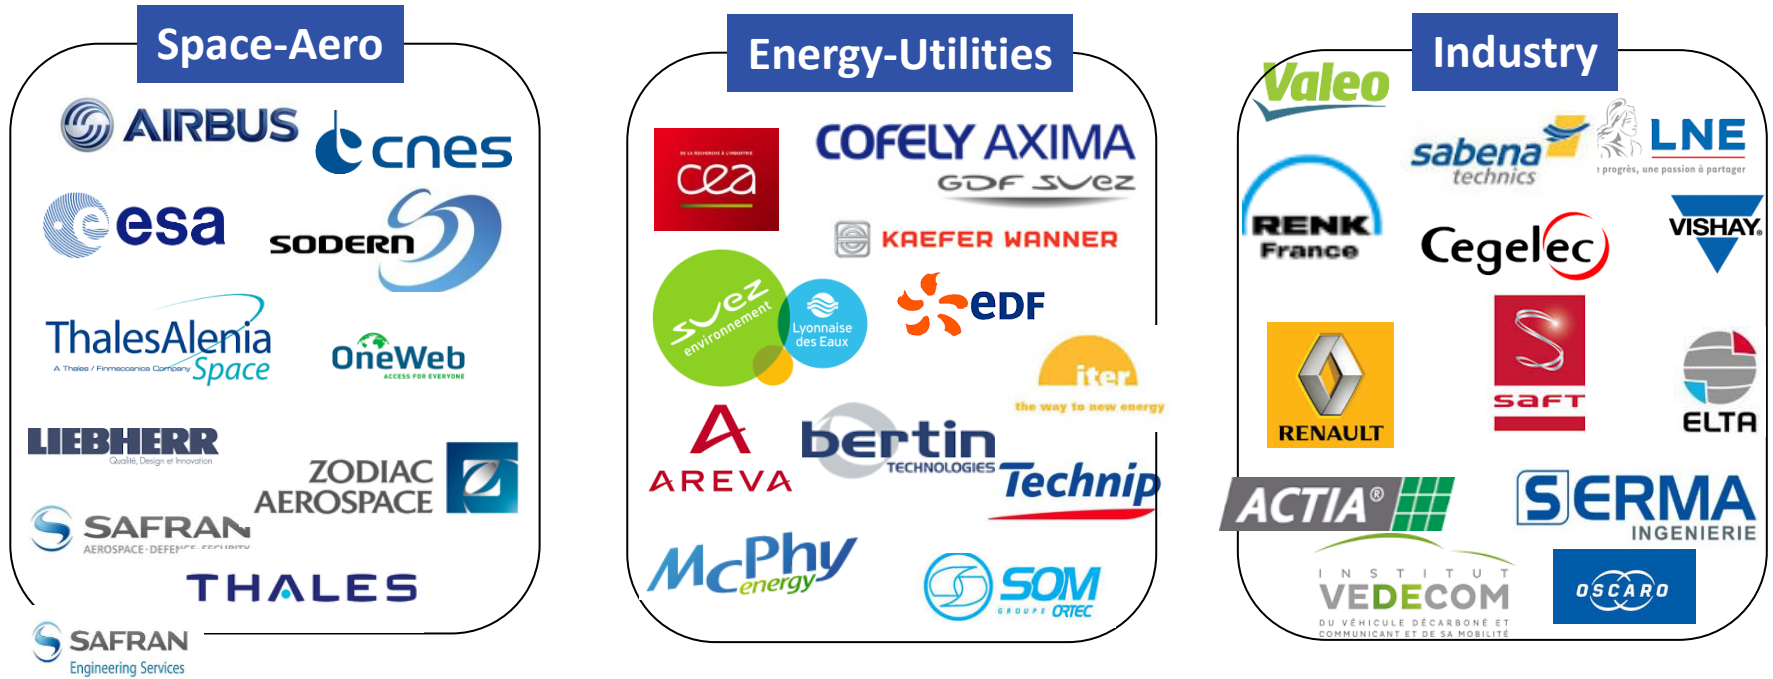

## SYSTEM

- ✓ Test benches
- ✓ Design & manufacturing
- ✓ Integration

# Customers examples

Three main addressed sectors to insure the growth (30 % / year)
